Re: Qualification Spots for World League Round 2

Good Morning All,

I have been advised by the FIH Competitions Manager, that coming out of the FIH Competitions Committee meeting that was held over the weekend, the number of qualifying teams coming out of World League Round 1 to World League Round 2 would be as originally determined:

- Women
 - Two qualifying spots to participate in Vancouver, Canada
- Men
 - One qualifying spot to participate in Tacarigua, Trinidad & Tobago

Attached is the original communication from the FIH on the qualifying spots for WLR2.

Please be guided accordingly.

Regards

Reyah Richardson
