APPENDIX 2

POOL COMPETITION PLAN AND RANKING

1. PLAN OF THE COMPETITION

- 1.1 There will be two pools, each comprising four teams.
- 1.2 The two pools will be composed as follows based on the FIH World Ranking as at 29 July 2018, the date when the match schedule was initially drafted:

POOL A	POOL B
1	2
4	3
5	6
8	7

- 1.3 If one or more team(s) does not participate, a reserve team(s), if called upon, will, in principle, take the place of the defaulting team(s). Subject to FIH approval, PAHF reserves the right to exercise an unfettered discretion to re-arrange the composition of the pools prior to the Event Briefing

2. RANKING IN THE POOLS

- 2.1 In each pool, all the teams will play against each other, and the following points will be awarded for each match:
- three points to the winner;
 - one point to each team, in the event of a draw;
 - no points to the loser.
- 2.2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.
- a If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.
 - b If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.
 - c If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of “goals for”.
 - d Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.
 - e If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position, based upon the points awarded in accordance with Article 1 of this Appendix. If there remains equality, then the teams involved shall be ranked according to Articles 2.a, b, c, and d of this Appendix.

- f If there still remains equality among two or more teams, then these teams will be ranked according to the number of Field Goals scored in the pool matches.
- g Should there still remain equality among two teams, then the ranking will be determined by a shoot-out competition between those teams (for details see Appendix 3 of these Regulations).
- h If more than two teams are involved, then each team will play a shoot-out competition against the other teams in the same sequence of play as the order of play in the competition, in accordance with Appendix 3 of these Regulations but with one round of 5 shoot-outs only to be taken compulsorily by each team.
- i A ranking will then be established based upon the results of the round of the shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.
- j If equality remains then teams having an equal number of points shall be ranked according to Articles 2.a, b, c and d as applied to goals recorded during the shoot-out competition.
- k If an equal position of three (or more) teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Tournament Director shall make a draw to establish each sequence of play if such further rounds of shoot-outs are required.

3. CLASSIFICATION MATCHES

- 3.1 The quarter-finals will be as follows although the matches will not necessarily be played in this order:

1 st Pool A	v	4 th Pool B	Match 1

- 3.4 The score at the end of the regulation time of any match will be registered as the result of the match.
- 3.5 If at the end of the regulation time the result is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in Appendix 3 will be played to establish the winner of the match.

APPENDIX 3

SHOOT-OUT COMPETITION

In a shoot-out competition, five players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this Regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result.

The following sets out both the playing Rules and the procedures to be followed.

- 1 If the shoot-out competition takes place after the end of a match, the first shoot-out should take place within five (5) minutes of the end of regulation playing time.
- 2 The respective Team Managers provide five players to take and one player to defend the shoot-outs from those on the Match Report except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions / replacements are permitted during the shoot-out competition other than as specified below.
- 3 A player who is still serving a disciplinary suspension by the Tournament Director at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition, cannot take part in that shoot-out competition. A player who has been warned (green card) or temporarily suspended (yellow card) may take part in the shout-out competition even if the period of their suspension has not been completed at the end of the match.
- 4 The Tournament Director will specify the method of timing shoot-outs taking account of the facilities available and the need to control time accurately.
- 5 The PAHF Event Co-ordinator will specify the goal to be used.
- 6 A coin is tossed; the team which wins the toss has the choice to take or defend the first shoot-out.
- 7 All persons listed on the Match Report other than any player who has been excluded permanently (red card) during the match which leads to the shoot-out competition are permitted to enter the field of play outside the 23m area used for the shoot-out but must be at least 10 metres from the spot where the ball is placed at the start of the shoot-out.
- 8 The goalkeeper / defending player of the team taking a shoot-out shall wait on the back-line outside the circle.
- 9 A player taking or defending a shoot-out may enter the 23m area for that purpose.
- 10 Players taking a shoot-out and also defending the shoot-outs taken by opponents are allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put back on their protective equipment.
- 11 Five players from each team take a shoot-out alternately against the goalkeeper / defending player of the other team making a total of 10 shoot-outs.

- 13 Taking a shoot-out:
 - a the goalkeeper / defending player starts on or behind the goal-line between the goal posts;
 - b the ball is placed on the nearest 23m line opposite the centre of the goal;
 - c an attacker stands outside the 23m area near the ball;
 - d the Umpire blows the whistle to start time;
 - e an official at the technical table starts the clock;
 - f the attacker and the goalkeeper / defending player may then move in any direction;
 - g the shoot-out is completed when:
 - i 8 seconds has elapsed since the starting signal;
 - ii a goal is scored;
 - iii the attacker commits an offence;
 - iv the goalkeeper / defending player commits an unintentional offence inside or outside the circle in which case the shoot-out is re-taken by the same player against the same goalkeeper/defending player;
 - v the goalkeeper / defending player commits an intentional offence inside or outside the circle, in which case a penalty stroke is awarded and taken;
 - vi the ball goes out of play over the back-line or side-line; this includes the goalkeeper / defending player intentionally playing the ball over the back-line.
- 14 If a penalty stroke is awarded as specified above, it can be taken and defended by any eligible player on the Match Report subject to the provisions of Articles 17, 18 and 19 of this Appendix.
- 15 The team scoring the most goals (or ahead by more goals than the other team has untaken shoot-outs available) is the winner.
- 16 A player may be suspended by a yellow or red card but not by a green card during the shoot-out competition.
- 17 If during a shoot-out competition (including during any penalty stroke which is awarded) a player is suspended by a yellow or red card:
 - a that player takes no further part in that shoot-out competition and, unless a goalkeeper / defending player, cannot be replaced;
 - b the replacement for a suspended goalkeeper / defending player can only come from the five players of that team nominated to take part in the shoot-out competition:
 - i the replacement goalkeeper / defending player is allowed reasonable time to put on protective equipment similar to that which the goalkeeper/defending player they are replacing was wearing;
 - ii for taking their own shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.
 - c any shoot-out due to be taken by a suspended player is forfeited; any goals scored by this player before being suspended count as a goal.

- 18 If during a shoot-out competition, a defending goalkeeper / defending player is incapacitated:
 - a that goalkeeper / defending player may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded in this Appendix or unless suspended by an Umpire during the shoot-out competition;
 - b the replacement goalkeeper:
 - i is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper / defending player was wearing;
 - ii if this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.
- 19 If during a shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded above or unless suspended by an Umpire during the shoot-out competition.
- 20 If an equal number of goals are scored after each team has taken five shoot-outs:
 - a a second series of five shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;
 - b the sequence in which the attackers take the shoot-outs need not be the same as in the first series;
 - c the team whose player took the first shoot-out in a series defends the first shoot-out of the next series;
 - d when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, not necessarily being all five shoot-outs, that team is the winner.
- 21 If an equal number of goals are scored after a second series of five shoot-outs, additional series of shoot-outs are taken with the same players subject to the conditions specified in this Appendix:
 - a the sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;
 - b the team which starts each shoot-out series alternates for each series.
- 22 Unless varied by this Appendix or Appendix 1, the Rules of Hockey apply during a shoot-out.

APPENDIX 5

CODE OF CONDUCT – GUIDELINES TO TOURNAMENT DIRECTORS ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the Code of Conduct shall be made to the Tournament Director.

The Tournament Director is to determine the level of the offence.

A report can be received by the Tournament Director from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Tournament Director must exercise discretion as to whether to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

The principles of natural justice apply in the following way.

The Tournament Director will advise the Team Manager of

- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Tournament Director must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

The Tournament Director must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Tournament Director must outline the evidence relied on to support the report including showing any video footage.

The team member is to be asked for their response to the report, ie do they accept the offence as alleged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

3 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Tournament Director (through an interpreter if necessary). It should deal (at least) with the following matters:

- a whether or not the team member accepts the breach of the Code of Conduct;
- b if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the Tournament Director, a greater penalty. If a greater penalty is being considered then:

- a the disciplinary history of the team member;
- b the attitude of the team member at the hearing;
- c any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;
- d the seriousness of the offence by comparison with other offences at this level

will be taken into account by the Tournament Director in imposing a greater penalty and details of which will be set out in the written decision.

4 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

- a the number and type of matches for which the team member is suspended;
- b the date of commencement of the suspension;
- c a statement whether, in the view of the Tournament Director, any additional period of suspension or other penalty to take effect beyond the conclusion of the tournament should be imposed or may be appropriate; and, if so
- d a statement that the decision to impose any further suspension or penalty is referred to the FIH Chief Executive Officer or his designee, via communication from the PAHF Event Co-ordinator, for further consideration by the FIH Disciplinary Commissioner; and
- e a summary of the Tournament Director's reasons that may justify the imposition of an additional suspension or other penalty.

MEDIA POLICY

1 PURPOSE, SCOPE AND APPLICATION

- 1.1 The International Hockey Federation (*FIH*) is recognised by the International Olympic Committee as the sole ultimate governing body for the sport of *Hockey* throughout the world. *FIH's* purpose is to raise the global status and popularity of hockey. The Media Policy (the *Policy*) is adopted and implemented as part of the *FIH's* strategy to unite the hockey community to reach its ambition - a global game that inspires the next generation.
- 1.2 The Pan American Hockey Federation (*PAHF*) is recognised by *FIH* as the sole continental authority for the governance and regulation of Hockey in Pan America. By delegated authority from the *FIH*, *PAHF* takes responsibility, amongst other tasks, for administering, promoting and developing Hockey within Pan America, pursuant to a strategic plan that is developed and maintained in consultation with the *FIH* and is consistent with the *FIH's* strategic plan.
- 1.3 The Policy aims to assist in the management of the relationship between the accredited media covering the *Lima 2019 Pan American Games* and *Participants*. Crucially, this *Policy* also assists in maximizing and enhancing the media coverage of the *Lima 2019 Pan American Games* to help achieve *FIH* and *PAHF's* purpose.

Accordingly, by their participation in the *Lima 2019 Pan American Games*, such *Participants* shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Policy* and acknowledge non-compliance with the *Policy* may result in disciplinary action being taken against them.
- 1.6 While this *Policy* sets out general guidelines and minimum requirements, *FIH*, or *PAHF* as its representative, reserve the right to apply flexibility whenever needed, for the benefit of all parties, and to modify them following consultation with the *Participants*.
- 1.7 The Policy incorporates the Social Media Guidelines set out in Article 3 of this policy.
- 1.8 The *National Association* of each participating team is responsible for informing and educating *Participants* about the *Policy* and ensuring that each *Participant's* media (and social media) activity prior to, during and after the *Lima Pan American Games* is in accordance with the *Policy* and does not bring the name of the *FIH*, *PAHF* and the sport of *Hockey* into disrepute.
- 1.9 Each *Participant* acknowledges the importance of communicating and cooperating with the media in order to enhance the image of the *Lima 2019 Pan American Games* and *Hockey* in general. The Policy applies to all *Participants* for the duration of the *Lima 2019 Pan American Games* (from the start of the Outward Journey until the conclusion of the Homeward Journey).
- 1.10 The *Code of Conduct* came into full force and effect at *FIH* level on 1 May 2016 (the *Effective Date*) and superseded the previous *Code of Conduct* as from that date. It may be amended from time to time by the *FIH*.

 - f use of the shots will be determined by the Host Broadcaster for each *Match*
 - g shots from changing room cameras may only be used at the following times:
 - i a single shot may be transmitted from each changing room on a delayed basis as part of a pre-recorded sequence showing the team arriving at the venue, exiting the bus, moving into the tunnel area and entering the changing room. It will be a wide shot of the team entering the changing room moving to and placing their gear in their respective positions

- 2.9 *Participants* shall give flash interviews if reasonably required by *PAHF*:

Breaches of the Social Media Guidelines shall be treated in the same manner as any other breaches of this Policy and / or the Code of Conduct.

4. IMAGE AND DATA RIGHTS

APPENDIX 9

VIDEO UMPIRE

1 POWER TO REFER DECISIONS TO THE VIDEO UMPIRE

- 1.1 The Match Umpires are the only persons who can refer decisions to the Video Umpire either directly or after a request from a team;
- 1.2 Referrals cannot be made as a result of protests, queries or pressure from players, Team Managers or Coaches on any decision. Teams (and their captains) will be held responsible for any violation or abuse of the Video Umpire protocols;
- 1.3 No one other than the Match Umpires, can stop the match to request a referral; eg the Video Umpire or Technical Officials at the Technical Table cannot stop a match.

2 UMPIRE REFERRAL

- 2.1 The Match Umpires may refer decisions to the Video Umpire when they are not convinced that they have taken, or are able to take, the correct decision relating to the awarding / disallowing of goals or the award / non-award of Penalty Strokes.
- 2.2 Referrals shall only relate to whether or not a goal has been legally scored or if a Penalty Stroke has been correctly awarded or not awarded.
- 2.3 The match Umpires are therefore entitled to request the Video Umpire to assist in making decisions which include, but are not restricted to:
 - a whether the ball crossed the goal line (within the area bounded by the goal posts and crossbar);
 - b whether the ball was legally played or touched inside the circle by the stick of an attacker and did not travel outside the circle before passing completely over the goal-line and under the cross-bar;
 - c whether the ball travelled outside the circle before it entered the goal either from a shot by an attacker during the taking of a penalty corner;
 - d whether a breach of the Rules has been observed within the attacking 23 metres area in the play leading to the awarding or disallowing of a goal. It is then for the Match Umpire to take any breach into account in reaching their decision.
 - e whether an offence has been committed by a defender in the circle which prevents the probable scoring of a goal, or there has been an intentional offence in the circle by a defender against an opponent who has possession of the ball or an opportunity to play the ball.
- 2.4 The Match Umpire requests Video Umpire assistance using the "television-screen" signal; he / she relays by radio to the Video Umpire whatever information is necessary.

3 UMPIRE REFERRAL PROCESS

- 3.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 3.2 Within the shortest time frame possible, the Video Umpire provides his / her advice and recommendation:
 - 'Goal'
 - 'No Goal'
 - 'Penalty Stroke'
 - 'No Penalty Stroke'
 - 'No Advice Possible'
 - plus advice on any observed breach of the Rules.
- 3.3 If a breach of the Rules is observed and advised to the match Umpire, it is then for the Match Umpire to take into account the breach in reaching his / her final decision.
- 3.4 In the case of 'No Advice Possible' (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment) the original decision of the Match Umpire stands. If there was no decision given before the referral, then the final decision is 'No Goal' or 'No Penalty Stroke' (depending on the type of referral).
- 3.5 An umpire referral that has been already been adjudicated upon may not be the subject of a subsequent team referral.

4 TEAM REFERRAL

- 4.1 Each team is allowed one team referral request (which must be made through the Match Umpires) during regulation time in any match subject to articles 5.4a and 5.4b below of this Regulation and one team referral request during a shoot-out competition, subject to articles 5.4a and 5.4b below:
 - a team referrals will be restricted to decisions within the 23 metre areas relating to the award (or non-award) of goals, penalty strokes and penalty corners and, during a shoot-out competition, whether a shoot-out should be re-taken. The award of personal penalty cards may not be the subject of a team referral;
 - b any team player, on the field of play at the time of the incident, can request a team referral;
 - c this player must indicate to a Match Umpire that he / she wishes to use their team referral. He / she must do so immediately after the incident or decision which is to be referred by using the 'T' signal as well as confirming this verbally to the Umpire;
 - d the Match Umpires will not disallow any request for a team referral provided the 'T' signal has been used by a player and seen by the umpire;
 - e the player requesting the team referral must inform a Match Umpire of the exact nature of the decision (or non-decision) that their team wishes to be reviewed within a maximum of 20 seconds;

- f if no question is received within 20 seconds the team referral will automatically default to a review of the last decision or non-decision relating to the award (or non-award) of a goal, penalty stroke, penalty corner or re-take of a shoot-out;
- g the Match Umpire then requests Video Umpire assistance using the “television-screen” signal, followed by a ‘T’ signal to denote a team referral; he / she relays by radio to the Video Umpire whatever information is necessary.

5 TEAM REFERRAL PROCESS

- 5.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 5.2 Within the shortest time frame possible, the Video Umpire provides his / her advice and recommendation:
 - ‘Goal’
 - ‘No Goal’
 - ‘Penalty Stroke’
 - ‘No Penalty Stroke’
 - ‘Penalty Corner’
 - ‘No Penalty Corner’
 - ‘Shoot-out to be re-taken’
 - ‘No shoot-out re-take’
 - ‘No Advice Possible’
 - plus advice on any observed breach of the Rules.
- 5.3 If a breach of the Rules is observed and advised to the Match Umpire, it is then for the Match Umpire to take into account the breach in reaching his / her final decision.
- 5.4 Implications for the retention or loss of team referral rights:
 - a in the event that the referral is upheld the referring team retains its right of referral;
 - b in the event of ‘No Advice Possible’ (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment), the referring team retains its right of referral;
 - c if there is no clear reason to change the Match Umpire’s original decision, the referring team loses its right of referral.
- 5.5 A team referral that has been already been adjudicated upon may not be the subject of a subsequent referral by the opposing team.

6 FOR UMPIRE AND TEAM REFERRALS

- 6.1 The final decision, including any matter of interpretation, remains with the Match Umpire and not the Video Umpire.

6.2 All other decisions remain with the Match Umpires.

6.3 Substitutions may not take place during the stoppage of play for a video referral; substitution may take place on the resumption of play subject to the Rules of Hockey.
